Sir:

INFORMATION DISCLOSURE STATEMENT

Attached hereto for the Examiner's consideration in the examination of this application are copies of the references listed in the attached Form PTO-1449 (Modified).

The Examiner is requested to consider the attached in the examination of this application.

This Information Disclosure Statement (IDS) is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under Rule 1.97(f) to enable the applicant to comply fully.

In accordance with 37 C.F.R. § 1.97(g) and (h), filing of this Information Disclosure Statement is not to be construed as a representation that a search has been made or an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b). Further, no representation is made by Inventor/Applicant herein that no other possible material information as defined in 37 C.F.R. § 1.56(b) exists.

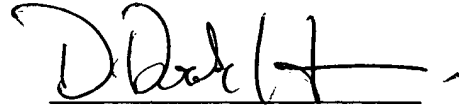

The IDS is being filed prior to the first official action. Inventor/Applicant therefore submits that this IDS fully complies with Rule 1.97. Applicant offers to supply any explanation or
